2025 SPONSORSHIP PACKAGE

About the Event

The JA Northern Alberta Business Hall of Fame honours our region's most esteemed business visionaries for their life achievements and service to our economy, our communities and the collective future of Albertans. It is the premier annual gathering of business and community leaders from every sector.

This year's event is on Wednesday, June 11, 2025, at the Edmonton Convention Centre.

Our Impact on Students

Junior Achievement is one of the largest global youth-serving non-profits and the ONLY organization that teaches entrepreneurship, financial literacy, and work readiness — filling a critical gap in the Alberta Curriculum. All proceeds from this event go toward the delivery of in-class and after-school business education programs to students in grades 3–12.

As a result of their experiences, JA alumni save more, hold less debt, and are less likely to spend more than they earn. JA alumni report higher levels of household income and career satisfaction. And they're less likely to drop out of school, face unemployment, or collect social insurance. Our alumni start more companies, hire more employees, and produce
